

## *Disclosure of Conflict of Interest*

**Title of the manuscript:** \_\_\_\_\_

**Names of Authors:** \_\_\_\_\_

**Declarations:** Journal of Biomedical and Translational Research (J Biomed Transl Res) requires that a corresponding author sign a declaration of conflicting interests on behalf of all authors. If you have nothing to declare in any of these cases, then this should be mentioned.

**Conflict of Interest and Source of Funding:** A conflict of interest exists when an author or the author's institution has a financial or other relationship with other people or organizations that may inappropriately influence the author's actions. All submissions to J Biomed Transl Res must include disclosure of all relationships that could be viewed as presenting a potential conflict of interest. J Biomed Transl Res may use such information as a basis for editorial decisions and may publish such disclosures if they are believed to be important to readers in judging the article.

**Conflict of Interest Statement for Authors:** A corresponding author on behalf of all authors must disclose any financial, personal, or their relationships with other people or organizations within 3 years of beginning the work submitted that could inappropriately influence the work submitted. Examples of conflicts include employment, consultancies, stock ownership, honoraria, paid expert testimony, patent applications/registrations, and grants. If there are no conflicts of interest, authors should state that there are none in the box below.

**Please state any conflict of interests:**

**Signature** (a scanned signature is acceptable,  
a corresponding author must sign on behalf of all authors)

**Print name**
